Welcome to Cold Mountain Lodge!

The lodge was built in 1977 by my grandmother, Florence Fishback. The cabin was given to me in 2015, and I have worked hard to make it a place our guests will enjoy. My hope is that this cabin brings you the same comfort and joy as it has brought my family over the last 40 years. Enjoy your stay!

## • • • What's new at the lodge?

Many of you have already enjoyed some time away on Cold Mountain. Here are some of the most recent improvements to the lodge amenities:

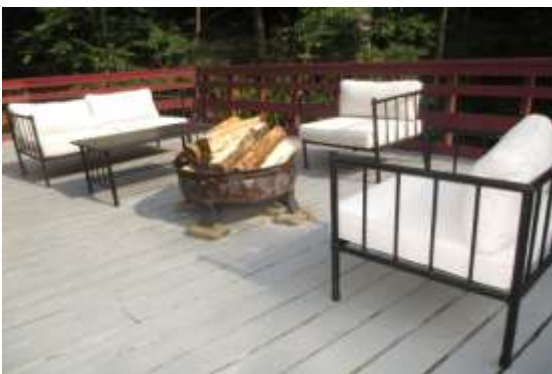

A 40ft. footbridge has been added to the riverbank—perfect for trout fishing and granting access to a hiking path, leading up to...

A mountain overlook with large chairs, a loveseat, and a metal roof with an open design, overlooking the lodge from 300 feet above.

Updated patio furniture out on the deck, which overlooks the lodge waterfall

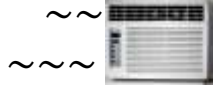

**A comfortable new couch**

**A new hot water  
heater**

**Air conditioning in  
the back bedroom**

**Faster WiFi  
internet speeds**

## Things to do

The cabin has bicycles that are free for guests to use whenever they'd like.

Well behaved dogs are always welcome at Cold Mountain Lodge.

The cabin is surrounded by hiking trails that lead from the cabin up toward the top of Cold Mountain.

Bring your fishing pole and fish from the footbridge that crosses the Little East Fork River on the lodge property.

Our cozy kitchen has everything you need to serve your whole flock.
